

WORKSHEET FOR BIOLOGY MAJOR WITHOUT A CONCENTRATION

Please complete this form by indicating the courses you have taken, or plan to take, and the semester and year of the course. Return it, together with the information form, to the Academic Office. **If you have a Concentration, please obtain the Worksheet for Selecting a Course Sequence that is appropriate to your Concentration.**

You will be discussing your course selections with your major advisor. The aim is to construct a combination that closely reflects your specific interests. Once your major advisor has approved this form, retain a copy for yourself and return the original to Leidy Lab room 102.
